Allerton Park Institute (25th: 1979). Organizing the libraries support: donors, volunteers, friends. Urbana-Champaign, Ill.: University of Illinois, Graduate School of Library Science, 1980. 119 p.
This collection of papers addresses itself to the need for the development of Friends of the Library groups. Although obstacles to the success of Friends groups are duly cited, their importance is stressed despite the commitment and diplomacy necessary to organize them. Specific topics discussed include the management of volunteers and the relationship of academic libraries to Friends groups.

PB 021.7 All

Anderson, Terry. Friends of the library. Clarion, Pa.: Centre for the Study of Rural Librarianship, School of Library Science, Clarion State College, 1980. 3 p.

Lists by geographic area, libraries that have Friends groups.

PB vertical file

Friends of the libraries source book/edited by Sandy Dolnick. Chicago: American Library Association, 1980. 165 p.
The material in this book was gathered from more than 300 various types of library Friends groups, and the solutions offered bear the test of experience. Papers center on planning programs that appeal to a variety of segments of the population, so that Friends groups will reflect a diversity of community interests. Special sections discuss fund-raising campaigns and recruitment drives, as well as purposes and goals of Friends organizations.

PB 021.7 Fri
